

AUTHORIZATION FOR SEMEN SERVICES

Owner agrees to hold Centre Court Veterinary Clinic/Canine Reproductive Services, its representatives, employees, agents and representatives harmless for any loss of semen collected under this agreement. Owners agrees to indemnify and hold harmless Centre Court Veterinary Clinic/Canine Reproductive Services, its employees, agents and representatives against any and all claims, including third party claims for loss during transport of semen. Centre Court Veterinary Clinic/Canine Reproductive Services agrees to indemnify Owner from any claim made by its employees or any other third parties involved with the process of semen freezing and storage.

Owner agrees to assume all risk of loss of semen collected and stored under the terms of this contract and agrees that the responsibility of insurance against the loss of semen stored by Centre Court Veterinary Clinic/Canine Reproductive Services under this agreement is to be born solely by the Owner.

Owner agrees Centre Court Veterinary Clinic/Canine Reproductive Services retains the right to customary post-thaw evaluation of at least one unit of semen from each collection processed by Centre Court Veterinary Clinic/Canine Reproductive Services and that collection not fulfilling minimum quality standards as defined by Centre Court Veterinary Clinic/Canine Reproductive Services will not be commercially available without an accompanying statement from Centre Court Veterinary Clinic/Canine Reproductive Services revealing the findings of that evaluation and claiming that Centre Court Veterinary Clinic/Canine Reproductive Services does not recommend semen from this collection to be used for artificial insemination. Centre Court Veterinary Clinic/Canine Reproductive Services reserves the right to determine which collections are not worthy of freezing and/or storage.

Centre Court Veterinary Clinic/Canine Reproductive Services makes no guarantee as to the fertilizing capacity of any semen processed or stored under this agreement.
